

Hello

MY NAME IS PAULEEN

I hope to be able to serve and support the children in their development through their experiences with me at home school. I count it my blessing and pleasure to see them grow and develop before my eyes.

ABOUT ME

Hello my name is Pauleen, I am a mother of four and a grandmother to three beautiful young children. Being a mother and a grandmother, I have a soft spot for the little ones. I am always drawn to love and nurture them.

MY GOALS

Encouraged by the work of my sister who is an educator with Montessori at Home, I joined the network recently to become an educator myself. I now have three children in my care and I have so much fun being with them each day. We love doing things together and with others, our favourite activities, are music time, cooking and baking.

Home is where the Heart is
